Important- Please read Carefully.

Please ensure that your representative is on site at the agreed time of delivery as units will need to be positioned and in some cases secured and Charged up.

Please also note that accessible live 240v electricity socket will be required for the installation. The hirer is responsible for the safekeeping of the Units, Electric Cables, Remote Controls and other Hardware until final Collection by our representative.

Prices will be subject to V.A.T@ current rate and plus delivery. Please ask for a quotation.
